	FURNIPUR cleaning of wooden and laminated furniture	

APPLICATION.

FURNIPUR is a universal, ready-to-use agent for cleaning wooden and laminated furniture. Perfectly removes dust and all kinds of dirt, even those that are bothersome, such as coffee or tea stains. It is extremely economical, dries quickly, refreshes and leaves a pleasant scent.

HOW TO USE.

Apply the preparation to the surface to be cleaned. Wait a moment. Wipe dry with a cloth. Repeat the operation if necessary.

TECHNICAL DATA.

Density	1.00+/-0.02 kg/dm ³
Reaction	Alkaline

PACKAGING.

Plastic bottles and canisters with a content of 1 l, 5 l and 20 l or others after consultation with the customer.

STORAGE AND TRANSPORT.

Transport and store in tightly closed manufacturer's packaging at temperatures from +15°C to +40°C. Durability 24 months from the production date.

SECURITY.

Safety data sheet available on request.

Contains: 2-bromo-2-nitropropane-1,3-diol, 5-chloro-2-methyl-2H-isothiazol-3-one [EC no. 247-500-7] and 2-methyl-2H-isothiazole -3-one [EC no. 220-239-6] (3:1). May cause an allergic reaction.

Keep away from children.

The product contains a mixture of surfactants and auxiliary substances: anionic surfactants less than 5%, non-ionic surfactants less than 5%, fragrance compositions, preservatives.

ATTENTION! The product is intended for professional use. The manufacturer and distributor are not liable for damage caused by improper use.

The above information and recommendations are provided by the Manufacturer on the basis of research, tests and experiences. The manufacturer does not guarantee the achievement of an optimal final effect in the event of use inconsistent with the recommendations or storage conditions beyond the manufacturer's control. The information contained in this document is based on currently available data characterizing the product and the knowledge of the Manufacturer. They should only be considered as an aid to the safe use, transport and storage of the product. This does not relieve the user of responsibility for misuse of the above information.
