APPLICATION.

LEATHER CLEANER CAR This is the perfect product for car interior leather care. It effectively cares for both leather and faux leather. It helps conceal imperfections such as discoloration, stains, and scratches. It refreshes and enhances color while leaving a pleasant scent. *The product is not suitable for nubuck and suede.*

HOW TO USE.

Shake the product before use. Apply the product to a clean, dry surface using a lint-free cloth. Apply a small amount of the product to the cloth and rub it into the surface using circular motions. Spread any excess evenly.

TECHNICAL DATA.

| | |
|-----------------------------------|---------------------|
| Substrate and ambient temperature | From +10°C to +35°C |
| Reaction | Inert |
