APPLICATION.

LEATHER CLEANER CAR This product is designed for cleaning leather and leather-like upholstery. It restores freshness and a natural look. *The product is not suitable for nubuck and suede.*

HOW TO USE.

Standard cleaning

Clean in circular motions using a cloth slightly moistened with the product. The product does not require rinsing.

Removing stubborn stains

Apply the product to the stained surface, wait 2-3 minutes, and then wipe with a damp cloth. If the stain is not completely removed, repeat the process.

Before use, test the effect of the product by applying it to an inconspicuous place.
